s shift work will be involved, here could be 450 workers employed in total.

In February 1992, Town and Country closed its administrative headquarters at the building with the loss of 260 jobs. A phased closure took place after the takeover of what was the 5th biggest building society in the country.

A £2.25 million showpiece extension, which was separate to the main building, was built and later sold to Essex Social Services for a bargain £1 million.

Talks started last year with Tendring Council and Clacton MP Ivan Henderson about the move.

received by the council which questioned the new height of the building in relation to surrounding properties and the possibility of overlooking.

But Mr Le Grys said that controls could be enforced to stop players using a fire escape on the side of the building which would alleviate the situation.

Roy Smith (Lab, Golf Green) welcomed the project.

"It will provide new amenities at what is already a very successful club," he said.

"I am particularly pleased that the scheme will include access and improvements for the disabled to be able to enjoy the facilities."

It is hoped that work on the project will go ahead as soon as possible and before winty

## Talented Stacey's a girl to look out for in future!

**DANCING** teenager Stacey Pepper has beaten off hundreds of other youngsters to take a place at a top performing arts college.

Stacey, of Sheriffs Way, Clacton, has been awarded a place at the Doreen Bird College of Performing Arts in Sidcup.

Due to the college's limited intake, Stacey will be one of 30 girls from around the country who will go there full-time and study all types of dance and musical theatre.

Stacey, 16, is already a dedicated dancer as she has been dancing since the age of two at the Tiffany Stage Academy under the supervision of Chriss Campbell Welsh.

She also attends Vanessa Rendell's Dance Foundation where she studies RAD ballet.

Stacey will be starting her three-year course in September 1999 once she has left Clacton's Colbyans High School after her GCSEs.

## Moo've over!

MOTORISTS on their way to work in Chelmsford on Monday were forced to avoid some unusual obstacles - after two cows escaped.

The black and white Friesian cows were seen grazing alongside Chelmer Road, just off the Army and Navy roundabout at 8.15am having escaped from
